In the deluge of falling prices in this readjustment period, hogs have continued to show a profit and will, in the future as in the past, be the farmers' surest and best source of profit. Will Appoint Hundreds of Income Tax Auditors.

Washington, D. C., January 30, 1922.—The collection of United States internal revenue taxes is a big job. The Civil Service Commission said in a statement today that more than 20,000 Government employees are engaged in this work, 7,800 of whom are attached to the Income Tax Unit. This latter figure includes more than 5,000 auditors and inspectors of income tax returns who are employed in Washington and in the field.

Notwithstanding this large force, the Civil Service Commission states that the Bureau of Internal Revenue needs several hundred more auditors and

inspectors for the Income Tax Unit, and that an examination to fill these positions will be held throughout the country on Mar. 8. The entrance salaries offered range from \$1,800 to \$3,000 a year. Advancement will depend upon demonstrated efficiency.

New appointees are given a six-weeks course of training in the technicalities of the income tax law and are paid full salary during such instruction.

Full information and application blank may be obtained from the United States Civil Service Commission, Washington, D. C., or from the Civil Service Board at the post office or custom house in any city.

Central College Club.

This Means You.

When you get up with a bad taste in your mouth, a dull tired feeling, no relish for food and are constipated, you may know that you need a dose of Chamberlain's Tablets. They not only cause an agreeable movement of the bowels, but cleanse and invigorate the stomach and improve the digestion.

Walter Chapman, of near Hodge, was arrested Wednesday evening and brought to Lexington, charged with operating a "still." His bond was fixed at \$2,000. He is still in jail.

A Good Cough Medicine For Children.

Mrs. J. W. Phillips, Redon, Ga., phoned to J. M. Floyd, the merchant there, for a bottle of Chamberlain's Cough Remedy and said she had bought a bottle of it at his store recently and that it was doing her children so much good that she wanted to keep up the treatment. You will find nothing better for coughs and colds in children or for yourself. It keeps the cough loose, expectoration easy and soon frees the system from the cold.

Adv.

Mr. and Mrs. Mederick Kirkpatrick who were married recently, left this morning for Keytesville, Mo., where Mr. Kirkpatrick has bought a bakery.

Only a Cold.

Are you ill? Is often answered—"Oh! it's only a cold," as if a cold was a matter of little consequence, but people are beginning to learn that a common cold is a matter not to be trifled with, that some of the most serious diseases start with a cold. As soon as the first indication of a cold appears take Chamberlain's Cough Remedy. Remember that the sooner you get rid of your cold the less the danger, and this remedy will help you to throw it off.

Adv.

Mrs. Margaret Ward of Kansas City, and Mrs. A. C. Ewart of Marysville, Kansas, are here visiting with their sister, Mrs. D. E. Collard.

Constipation.

Most laxatives and cathartics afford only temporary relief and should be used only for that purpose. When you want permanent relief take Chamberlain's Tablets and be careful to observe the directions with each package. These tablets not only move the bowels, but improve the appetite and strengthen the digestion.
